RE: Director for the College's Pharmaceutical Good Manufacturing
Practice (GMP) Facility

Amy Beretta, Esq.

Background:

Colleen A. Callahan, Ed.D.

The College of Pharmacy at the University of Rhode Island would like to establish a Director for the College's Pharmaceutical Good Manufacturing Practice (GMP) Facility. The completion of construction of the GMP Facility and its associated Analytical Laboratory is approaching and they are now ready to hire a Director that will lead the development and operation of the Facility. The Director will identify and coordinate collaborations with external partners while ensuring that the GMP Facility supports the research and educational missions of the College of Pharmacy.
